

POLY-TEK EstateTek FENCING

Perfect for Commercial Applications

- A panelized fence system designed to look like a block wall fence but at a fraction of the cost.
- The *EstateTek* is a less decorative fence than the *RenderSmart* and features rebates in the panels to cover over the RHS post system.
- Provides great noise reduction benefits with a surface weight density of 20kgs m².
- Acoustic and very durable with 6mm FC outer panel skins.
- Achieve privacy and 'wow' factor street appeal for your home or land development.
- Easy D.I.Y Installation or by our recommended contractors.

Acoustic * Durable * Affordable Estate Fencing * Attractive

Other Poly-Tek Products include Sun Hoods, Letterboxes, Other Fences, Prefinished NC Claddings
