

Poly-Tek Sun Hoods

Poly-Tek Sun Hoods are an effective and economical way of providing over window shading or to improve and modernize the overall aesthetics of your project. They greatly assist in helping builders to achieve vital star energy ratings and are a logical choice of manufacture in comparison to a blue board or steel construction method.

As with all Poly-Tek products, Poly-Tek Sun Hoods are pre-rendered 'in house' saving crucial time on site by not having to render.

Poly-Tek Sun Hoods all feature a Drip Mould to allow for water 'run off' and are available in a range of standard sizes. Non Standard Sun Hoods are also available upon request however minimum volumes apply.

Available sizes:

SH1000	450w x 125 sloping to 100
SH1001	450w x 160 sloping to 150
SH1002	600w x 125 sloping to 100
SH1003	600w x 160 sloping to 150
SH1006	300w x 160 sloping to 150
SH1008	300w x 125 sloping to 100

Vertical Wings are available to suit each of the above hood sizes
